# New ONR Grant System

- ONR is implementing a new grant system on or about October 1<sup>st</sup>.
- As a result, some existing grants will be reissued.
- Our goal is to ensure continuity in research projects.

# New ONR Grant System

- **October Implementation**
  - **New grants** will be issued in the new grant system, called “PPS”, on or about October 1<sup>st</sup>
    - **Notice of Award will be issued thru EDA**
  - Some existing grants which need to be transitioned into PPS will be reissued beginning approximately January 2015

# New ONR Grant System

- **Some existing grants will be reissued**
  - Sponsored Program Offices and the PIs will be contacted by ONR before their grant(s) are reissued
  - Existing grants required to be reissued will receive a new award number, however a new proposal is not required

# New ONR Grant System

- **Our goal is to ensure continuity in research projects**
  - Existing grants already fully funded will not be affected
  - Research project scopes will remain unchanged for those grants that are reissued in PPS

## Next Steps

- Existing Grants – no action required until ONR contacts your institution
- New grants will be issued in ONR's new grant system, PPS, on/about October 1<sup>st</sup>.
  - **Notice of Award will be issued thru EDA**
- Guidance and updates will be posted on our website [www.onr.navy.mil](http://www.onr.navy.mil)

# DoD Electronic Document Access (EDA) system

- ONR's AwardWeb grant award notification system is being phased out
- ONR has begun adding POC emails (PI and Business Office contact) to the DoD Electronic Document Access (EDA) system for each active grant award
- Emails that are added will receive a "Welcome" email from EDA
- When new grants/mods are posted to EDA, the POC emails will receive a notification email with a link to the award document
- Users must be registered in EDA to open the link and view the document
- **EDA: <https://wawf.eb.mil> (1-866-618-5988 or 801-605-7095)**  
*hint: for immediate assistance call the phone #*
