## Sample Welcome Notification:

To: someone@somewhere.edu  
From : Some Grant Officer (some.grantofficer@navy.mil)  
Subject: EDA **Contract Load Notification List Welcome Message**

EDA refers to all award types as a "contract". Please ignore the term and review the actual award document to determine if the award is a grant or contract.

Your name has been added to the Electronic Document Access (EDA) contract notification list for the following contract:

Contract: N00014151XXXX

You have been added to the Electronic Document Access (EDA) contract notification list for the contract listed above. The EDA system will automatically notify you via e-mail when new contract documents associated with this contract/delivery order are available on EDA. Registered EDA users can view these documents at <http://eda.ogden.disa.mil>. Additional information about contract load electronic notification can be found in the EDA User's Guide available online from the EDA web site.

If you wish to be removed from this list or you believe you have received this message erroneously, please reply to the sender of this message or contact the EDA Help Desk at: 1-866-618-5988, 801-605-7095, or DSN: 388-7095.

# Why Do I have two Grant Numbers for one project?

- No data migration from old to new financial systems
  - Two grant numbers for one research project
  - **One Final Report for both grant numbers**
    - **Technical / Cost / Patent / Property**
    - **Reference both grant numbers on reports**
- No Funds Extension – which grant is extended?
  - Both grants will be extended to maintain a consistent end date on both grants

Distribution A. Approved for public release, 43-2006-16; distribution limited unlimited.

# Why is DOD not using Federal-wide Research terms/conditions?

- DOD Policy decision
  - Focus on consistency on all DOD grant programs; not just research
  - Focus on consistency for all DOD research grants
- DOD Implementation of 2 CFR 200
  - Phase I – interim partial application on DOD grants
  - Phase II – implementation into DOD regulation
  - **Issuance of Six Federal Register Notices expected Fall 2016**

Distribution A. Approved for public release, 43-2006-16; distribution limited unlimited.

# Why are expenditure rates so important?

ASN(FMB), OSD Comptroller, and Congressional staffs continue to use financial execution as a benchmark for program reviews.

OSD execution benchmarks for RDT&E are:

<u>Year</u>	<u>obligations</u>	<u>expenditures</u>	<u>notes</u>
1 <sup>st</sup> year	90%	55%	
2 <sup>nd</sup> year	100%	90%	
3 <sup>rd</sup> year	100%	100%	
4 <sup>th</sup> year	100%	100%	
5 <sup>th</sup> year	100%	100%	
6 <sup>th</sup> year	100%	100%	
7 <sup>th</sup> year	100%	100%	

no obligations beyond 2<sup>nd</sup> year

account closes; unexpended funds are swept; future bills are paid with current year dollars
