The completed form(s) and associated travel documents must be submitted to the Research Foundation of CUNY using our electronic Payment Request submission system. If you do not have access to the submission system, please forward the documentation to your contact at CUNY for submission. All documentation must be digital (preferably PDF).

- (a) Enter itinerary and expense data for each day of travel. Itinerary data should indicate time of departure or arrival of common carrier except as otherwise provided in governing N.Y. State guidelines.
- (b) Verify that the amounts claimed for meals and lodging are within the allowable per diem rates. For overnight travel 75% of the published per diem rate for meals is allowed for the first and last day of travel.
