## General Description

---

Baruch STEP Academy ( <https://step.baruch.cuny.edu> ) is an academic enrichment program focusing on STEM (Science, Technology, Engineering, and Mathematics) education and providing college preparation.

The course will operate over 10 sessions on Saturdays from October 1st through December 10th from 12:30 - 2:00 p.m.

### Living Environment Instructor (*In-Person Position*)

#### Course Description

This 90 minute course will prepare students for the June 2023 Living Environment Regents exam.

**Application Link** - <https://www.rfcuny.org/careers/postings?pvnID=BA-2209-005082>

#### Summary of Responsibilities

The STEP Academy at Baruch College is seeking to fill an **IN-PERSON** living environment instructor position for the high school program. The instructor will be responsible for introducing and reviewing these topics in depth from the first half of the regents curriculum: scientific inquiry, biochemistry, cells and cellular processes, and biological systems.

The goal of the course is to help students:

1. prep for the June 2023 Regents exam
2. assist with understanding homework assignments
