## General Description

---

The Baruch College Counseling Center Trauma Specialist will conduct triage and trauma assessments with Baruch undergraduate and graduate students, maintain a caseload of weekly clients, and develop and deliver mental health outreach and workshops, with a focus on trauma-informed care and marginalized identities. The Trauma Specialist will also partner with the Principal Investigator to develop data collection tools and help collect, analyze and report grant data to funder.

## Other Duties

---

The Trauma Specialist may also be called upon to facilitate therapy groups in the Baruch College Counseling Center.

## Qualifications

---

- Licensed as a mental health provider in New York State.
- Has experience providing clinical services to a diverse population, especially those from marginalized identities.
- Has experience with facilitating therapy groups (preferred).
