General Description

Description:

The US Department of Health and Human Services (HHS) awarded a Health Profession Opportunity Grant (HPOG) to the Division of Continuing Education and Workforce Development at Hostos Community College to enroll and train low-income individuals and Temporary Assistance for Needy Families (TANF) recipients.

The Allied Health Career Pipeline Program seeks a Certified Nurse Aide (CNA) Instructor to train the didactic and clinical skills to students at the Hostos Community College CNA trainings. The role of the CNA Skills Validation Coach is to ensure students have properly demonstrated the skills, and to work with them to prepare students to pass the New York State Nurse Aid Exam.

Other Duties

Responsibilities include:

- Teach the fundamentals of the CNA program didactic, including Anatomy and Physiology and the clinical skills, through return demonstration in the classroom and clinical environmental setting.
- Observe clinical demonstrations in classroom environment
- Be present in classroom to teach and coach CNA
- Work with small groups needed to validate accuracy and completion of the skills
- Complete student accuracy and completion paper prior to clinical placement
- Teach online and onsite
- Prepare and organize the training rooms, including checking inventory
- Document student's performance including, progress, skills and attendance
- Communicate with the team with all aspects of work

- Assist with organization of students' schedule
- Meet weekly/daily with instructors and case managers regarding student performance
- Work remotely and onsite work
- Achieve weekly and monthly student completion goals
- Perform other duties as assigned

Qualifications

Core Competencies:

- Strong attention to detail
- Excellent communication and strong interpersonal skills
- Ability to work in a team, as well as work independently

Qualifications:

- A RN currently registered in New York, required
- Possess a minimum of two years long term care experience, required
