## General Description

---

The Math Supplemental Instruction at Kingsborough Community College is a federally funded college program. The program provides non-credit math workshops for students who have failed the developmental math class two or more times. The program is seeking a motivated Math Supplemental Instructor to instruct the math workshops.

## Other Duties

---

- Create a pre-test to determine the student's level of competency.
- Teaches college-level Pre-Algebra and Algebra courses.
- Prepares course syllabus and daily lesson plans.
- Assess student progress and learning outcomes
- Maintain record of student's attendance and class performance.
- Instruct math workshops of 10-15 students.

## Qualifications

---

- Bachelor Degree in a field related to Mathematics.
- Previous experience teaching preferred.
- The ability to connect with college students is essential.
