## Other Duties

The Program Director will support the KCC program by:

- Providing day-to-day administrative and operational support to ensure that the project runs smoothly, efficiently, and effectively;
- Managing, coordinating, and overseeing the CompTIA (A+, N+, etc.) information technology training program at KCC;
- Coordinating the recruitment, enrollment, and retention of students in the SCC program;
- Preparing class schedule and conducting class orientation during the first day of class;
- Performing general administrative/clerical duties, including data entry, record-keeping, document collection, and maintenance of an electronic database;
- Handling requests for information and data, both internal and external;
- Preparing, modifying, and maintaining important shared documents (including data spreadsheets, reports, logs, reports, and memos);

- Participating in a blended working environment that includes both remote and in-person as required;
- Monitoring, overseeing, and expending SCC budget rationally;
- Promoting the infotech training programs to attract unemployed and under-employed New Yorkers and special populations, such as veterans, individuals with disabilities, dislocated workers, etc.;
- Writing and submitting monthly, quarterly, and yearly project reports;
- Hiring and assigning faculty with classes;
- Other duties & responsibilities as assigned.

## Qualifications

---

-Bachelor's Degree required; Master's Degree preferred.

-At least 2 years of experience coordinating grant-funded projects in a professional environment in higher education and knowledge of RFCUNY funding operation; IT work experience is a plus.

-Must possess strong organizational, interpersonal, and communication skills with a collaborative and solutions-oriented workstyle;

-Must demonstrate an ability to manage timelines/deadlines successfully and to achieve key targets and milestones;

-Able to work independently and efficiently, perform multiple tasks simultaneously, and work within a team environment;
