General Description

LaGuardia Community College (LaGCC) Procurement Technical Assistance Center (PTAC) was established in 1999. Its mission is to assist businesses located in Queens to market their goods and services to the Federal, State, and local governments. PTAC strives to simplify the steps necessary to successfully sell to the government. The center offers procurement technical assistance and training workshops to meet the needs of any size business, including Minority Owned Small Business, Service Disabled Veteran Owned Small Business/Veteran Owned Small Business (SDVOSB/VOSB) and Women Owned Small Businesses throughout the Queens region.

The Assistant Director will assist the Director with the day-to-day activities and operations of the Procurement Technical Assistance Center. He/she will counsel and train small business owners or their employees in all aspects of government contracting with federal, state, regional, and local governments. The candidate will work within a cohesive program team under the supervision of the Program Director with responsibility for mentoring and monitoring over 400 small business clients. The Assistant Director will be expected to meet or exceed program goals set for the team during the year related to businesses served and counseling hours. This position may involve extensive networking with government agencies, small businesses, small business resource organizations, business incubators, professional associations, and other college programs. The Assistant Director will provide training and technical assistance to clients through individual counseling sessions, small group workshops, webinars, and at networking events. Some travel is required. Out-of-state travel may occur up to two times a year for a duration of 2 - 5 days.

This is a grant funded position and is contingent upon availability of funding.
