<b>Category</b>	Research
<b>Location</b>	LEHMAN COLLEGE
<b>Department</b>	Speech-Language-Hearing Sciences
<b>Status</b>	Part Time
<b>Salary</b>	Depends on qualifications
<b>Hour(s) a Week</b>	0.00
<b>Closing Date</b>	Oct 02, 2018 (Or Until Filled)

## General Description

---

A part-time statistician is sought by an Associate Professor at Lehman College in the Department of Speech-Language-Hearing Sciences to conduct statistical analysis and participate in research design planning of grant-funded experiments. This position is project-driven and hours are flexible, although it is anticipated that the position will require approximately 40 hours in the Fall 2018 semester and approximately 60 hours in the Spring and Summer 2019 semesters. Physical presence at Lehman College is not required: the work can largely be accomplished remotely. EO/AA/ADA Employer.

## Other Duties

---

## Qualifications

---

Knowledge of linear mixed modelling is essential. Preference will be given to a current graduate (master's or doctoral) student at CUNY.
