General Description

We are seeking a passionate and knowledgeable Science Tutor to support high school students in mastering key scientific concepts and improving academic performance. The ideal candidate will inspire curiosity, encourage critical thinking, and provide individualized instruction in subjects such as Biology, Chemistry, Physics, Environmental Science, and other Science Subjects.

Other Duties

- Provide one-on-one and/or small group tutoring to high school students
- Develop and implement engaging lesson plans tailored to each student's learning style and goals
- Review and explain scientific concepts, lab work, and problem-solving techniques
- Help students prepare for classroom exams, standardized tests (e.g., SAT, ACT, AP), and school projects
- Monitor student progress and communicate regularly with parents, teachers, or academic coordinators
- Foster a supportive and motivating learning environment
- Facilitate Liberty Partnerships Program Assessments and other LPP tasks as needed
- Other duties as assigned

Qualifications

- High School Degree
- Some College Preferred
- Experience working with students preferred
- Experience with one of the Science-related fields (Biology, Chemistry, Physics, Environmental Science, etc.).

- Prior experience teaching or tutoring high school students preferred
- Strong communication, organizational, and interpersonal skills
- Ability to explain complex concepts in a clear and engaging way
- Patience, enthusiasm, and a genuine interest in helping students succeed

Preferred skills:

- Experience with New York City High School Science curricula
- Familiarity with virtual tutoring platforms (Zoom, Google Meet, etc.)
