## General Description

The CUNY Institute for Implementation Science and Population Health (ISPH) is hiring a full-time **Research Assistant (RA)** with experience in the areas of HIV Prevention with Men who have sex with men.

Position Description: Seeking a full-time (preferred) or part-time RA. The Research Assistant will be working on a large US national study of gay and bisexual men who are enrolled via electronic recruitment methods and who complete at-home self-administered HIV testing as well as at-home online surveys. RAs perform simple to moderately complex research and analytic activities as part of a research team or working individually, that is, the work occurs under various degrees of supervision.

### Responsibilities:

- Assist in gathering of information for research and reports;
- Conduct interviews & assessments of research participants/subjects (performs tasks related to qualitative and quantitative data collection);
- Follow study protocols and accurately document research findings for gathering qualitative and quantitative data;
- Keep accurate, well-organized records;
- Ability to handle multiple tasks at a given time;
- Coding data, as well as data entry;
- Maintain confidentiality as required by the project or as directed by supervisors;
- Assist other research staff in coordinating projects;
- Assist in literature reviews for papers or presentations;
- Assist in training new employees in routine processes and procedures.

---

## Other Duties

- Perform other duties as assigned;

## Qualifications

---

- Fundamental understanding of research methodology, design, and measures;
- Background in HIV/AIDS research, LGBT Health, and alcohol/drug use issues;
- Ability to use SPSS;
- Strong communication (written, oral) skills, friendly demeanor, and ability to communicate with research staff and research participants;
- Familiarity with Qualtrics and Access Database management
- Bilingual applicants (Spanish and English) strongly encouraged to apply.

Salary: Commensurate with experience.

Benefits: Full-time employees have access to range of benefits including health, vision, dental, retirement, paid sick leave and paid vacation. Part-time employees accrue benefits including paid sick leave and vacation.

To apply: Please submit a cover letter and resume when applying to this posting. CUNY is an equal opportunity employer.
