## General Description

---

Queensborough Community College (QCC) has been awarded a three year grant federally funded grant aimed to increase the diversity in the nursing workforce in order to decrease health care disparities.

The Student Success Advocate will be working collaboratively with the High School Liaison and the College Facilitator to advise, coach, and provide assistance to our high school students as well as our beginning college students at Queensborough Community College (QCC); who are disadvantaged either socioeconomically or educationally, to facilitate and promote the nursing profession and successful entry into our nursing program. QCC has in place a program for such high school students, Project Prize, from where we have recruited students for this program. A vital part of students' success will be through the assistance of the Student Success Advocate who will be responsible to personally meet with students to review their academic progress, offer advice regarding tutoring, classes, or other interventions that the Advocate determines is necessary to help the students succeed. In addition, the Advocate will work with the Director and Mentoring Coordinator to work with students and their families addressing any participants concerns or perceived barriers to nursing career preparation.

This is a part-time one year position (20 hours/week) with a start date of July 1, 2015 and ending on June 30, 2016
