General Description

Queens College is seeking a part-time Assistant Athletics Trainer (with benefits). This position reports to the Director of Sports Medicine and is under the area of Student-Athlete Performance supervised by the Assistant Athletics Director for Student-Athlete Performance/Interim Senior Woman Administrator.

The successful candidate assists in the general healthcare (injury evaluations, referrals, rehabilitative treatments) of 275 intercollegiate student-athletes representing 19 NCAA Division II varsity sports; provide necessary practice and game coverage for all intercollegiate teams (including travel, late nights, early mornings, weekends, holidays and during inclement weather); and assist with monitoring and maintenance of the athletic training room. This position is also required to work during summer months with summer camp staff.

Position may require attending conference and department meetings; as well as performing other duties assigned by the Director of Sports Medicine.

Position includes health benefits and tuition reimbursement of up to \$800 per calendar year.

Other Duties

The Queens College department of athletics offers varsity, intramural and recreational athletics opportunities to members of its campus community. The college sponsors 19 varsity sports at the NCAA Division II level, with the Knights competing predominantly in the East Coast Conference. Queens College's department of athletics encourages all student-athletes to complete a major academic degree program, participate fully in the college community and prepare for life after college athletics.
