General Description

Queens College is seeking an Assistant Athletic Trainer. This is a part-time position reporting to the Director of Sports Medicine, who serves under the Student Athlete Performance area in the athletics department.

Duties include, but are not limited to, general healthcare assistance to all intercollegiate student-athletes (injury evaluations, referrals, treatments, rehabilitation, and record keeping); providing necessary practice and game coverage for all intercollegiate teams (including travel, nights-some late, weekends, holidays, and during inclement weather); assisting in summer camp coverage; assisting with the monitoring and maintaining of the athletic training room; assisting the Director of Sports Medicine with insurance tracking and documentation; attending national and conference meetings; and performing other duties assigned by the Director of Sports Medicine.

The Queens College department of athletics offers varsity, intramural and recreational athletics opportunities to members of its campus community. The college sponsors 19 varsity sports at the NCAA Division II level, with the Knights competing predominantly in the East Coast Conference. Queens College's department of athletics encourages all student-athletes to complete a meaningful academic degree program, participate fully in the college community and prepare for life after college athletics. For more information on athletics, please visit www.queensknights.com.

Located on a beautiful, 77-acre campus in Flushing, Queens College of the City University of New York enjoys a national reputation for its liberal arts and sciences and pre-professional programs. Each year Queens College has been cited by The Princeton Review as one of the nation's 100 "Best Value" colleges, thanks to its outstanding academics, generous financial aid packages, and relatively low costs. In addition, U.S. News & World Report *America's Best Colleges* (2011) ranks QC among the top 10 public universities in its category "Best Universities—Master's (North)." The college opened its first residence hall in August 2009. For more information on Queens College contact at www.qc.cuny.edu.

Queens College is an Equal Opportunity/Affirmative Action Employer with a strong institutional commitment to

the achievement of excellence and diversity among its faculty and staff.

Other Duties

The individual must have the mobility enough to do the following activities: running, walking, sitting, climbing, balancing, stopping, kneeling, crouching, or crawling. Candidates must have the ability to lift and/or move heavy items weighing up to 50 pounds on a frequent basis and occasionally lift and/or move up to 50 pound with assistance.

Qualifications

Qualified applicants must have a minimum of a Bachelor's Degree, NATA Certification, New York License (prior to the start of employment), current Professional Rescuer CPRE/AED/First Aid certification, working knowledge of and adherence of NCAA rules and regulations, ability to effectively communicate with and relate to student-athletes, coaches, and support staff, and the ability to use relevant computer software. Applicant must attend Queens College to receive credit hours. Applicant must be accepted to Queens College prior to accepting position.

Applications are currently being accepted and interviews will begin immediately. Submit letter of application, resume of professional accomplishments and experience, and names with contact information of three current professional references at <http://www.rfcuny.org>.
