General Description

Queens College, CUNY was established in 1937 to offer a strong liberal arts education to the working classes, QC provides students access to a high-quality, accessible, and affordable education, on a campus where our diverse student body is well supported by a collegial and inclusive faculty and staff, and where we regularly exercise our commitment to the cultural, economic, and educational vitality of NYC. We are an institution with a vigorous enrollment of 16,600 undergraduate students and 3,200 graduate students.

The Center for Career Engagement and Internships offers a wide range of career guidance, road maps, and information for students on career education. Our career educators assist students with their exploration, internships /job search preparation and strategies. The Center offers World of Work credit-bearing classes; sponsors networking events for students, alumni and employers, career panel, employer information sessions and traditional career workshops on internships, resume/cover letter writing, and interviewing.

Other Duties
