## General Description

---

Queens College is seeking an Assistant Athletic Trainer. This is a full-time (12 month) benefit position reporting to the Director of Sports Medicine in the Department of Athletics and Recreation. The successful candidate may attend national and conference meetings; and perform other duties assigned by the Director of Sports Medicine. Duties include, but are not limited to: general healthcare assistance to 230 intercollegiate student-athletes (injury evaluations, referrals, rehabilitative treatments); provide necessary practice and game coverage for all intercollegiate teams (including travel, late nights, early mornings, weekends, holidays and during inclement weather); assist in summer camp coverage; and assist with monitoring and maintenance of the athletic training room.

The Queens College Department of Athletics offers varsity, intramural and recreational athletic opportunities to members of its campus community. The college sponsors 16 varsity sports at the NCAA Division II level, with the QC Knights competing predominantly in the East Coast Conference. Queens College's department of athletics encourages all student-athletes to complete a meaningful academic degree program, participate fully in the college community and prepare for life after college athletics.
