General Description

The **NY Early Childhood Professional Development Institute (PDI)** is a dynamic public/private partnership that works to ensure that all early childhood practitioners have access to a system of professional development.

The Registry Support Specialist is responsible for providing key support to maintain daily operations of The Aspire Registry. The workforce registry is a web-based system that helps early childhood providers track their ongoing professional development, education, and experience, and helps them find professional development.

The Registry Support Specialist will report to The Aspire Registry Administrator and work as part of a team with other registry staff. The Registry Support Specialist will also provide technical assistance and support to new and existing registry members.

Responsibilities:

- Provide customer support to our Registry members through e-mail and phone.
- Review and classify credit and non-credit coursework from college transcripts and training certificates.
- Review paper and electronic files for discrepancies and errors.
- Review documentation from registry members and verify information in the database and/or our document management system.
- Enter and verify data with attention to speed and accuracy.
- Assist with the preparation of meeting materials, taking minutes, and disseminating minutes in a timely

fashion.

- Other duties as assigned by the Registry Administrator or Project Coordinator.
