## General Description

---

The ACS/CUNY Informal Family Child Care Project (IFCC) – a program of the New York Early Childhood Professional Development Institute endeavors to elevate the quality of care for children in home-based child care settings in New York City by assessing and supporting the needs of, advocating for and increasing the skills and capacity of home-based child care providers through the design and facilitation of an array of comprehensive professional development opportunities.

IFCC seeks a part-time early childhood trainer to facilitate professional development training for family child care providers in New York City.
