General Description

MISSION

All young children in New York should have access to the highest quality services across sectors, locations, and professions. The New York Early Childhood Professional Development Institute, housed at the City University of New York, is a fast-paced, dynamic public/private partnership that is committed to the early childhood workforce across New York State.

GENERAL DESCRIPTION

The Institute will hire a full time Professional Development Quality Assurance Specialist. The Professional Development Quality Assurance Specialist will need a strong background in early childhood education and bring an appreciation for the value of system-building. The role will be integral to The Aspire Registry project. The Specialist will review and provide feedback and guidance on early childhood professional development sessions, courses, and events that are submitted to the Registry for approval. The Aspire Registry is a web-based system that helps early childhood providers track and plan their ongoing professional development and education.

In this role, the PD QA Specialist will serve on a leadership team, working with the Registry Administrator, the Director of New York Works for Children, and other Institute staff in the continuous implementation of the professional development approval system and play a role in the Institute's workforce development initiatives.

Equipped with a wide range of experience in the field, the ideal candidate will have intimate knowledge of the professional development needs of the early childhood workforce, and be particularly aware of what learning opportunities would promote best practices and result in the best outcomes for children.
