General Description

MISSION

All young children in New York should have access to the highest quality services across sectors, locations, and professions. The New York Early Childhood Professional Development Institute, housed at the City University of New York, is a fast-paced, dynamic public/private partnership that exists to drive the excellence of services designed for young children through research, policy, and practice. The Institute is the implementing agency for QUALITYstarsNY.

QUALITYstarsNY is New York State's voluntary 5-Star early childhood quality rating and improvement system. Since its inception, QUALITYstarsNY has focused its evidence-based practices to ensure that young children in participating programs have access to excellence and families can trust the level of quality in the program they choose. Assessment, coaching, professional development, and a wide range of resources are made available to each site, enabling QUALITYstarsNY to support early childhood programs to earn higher star ratings.

GENERAL DESCRIPTION

The Quality Improvement (QI) Specialist is responsible for providing key support in the implementation of QUALITYstarsNY. The QI Specialist is assigned a case load of participating programs to provide ongoing technical assistance and resources to as part of continuous quality improvement. The QI Specialist works in partnership with the leadership of participating programs to effectively use data to create and implement an individualized Quality Improvement Plan (QIP). The QI Specialist supports programs to achieve the goals outlined in their QIP through a variety of strategies and holds programs accountable to meeting their goals. The QI Specialist is expected to establish and maintain a collaborative relationship with the program's leadership and use a facilitative, consultation model to provide technical assistance and mentoring.

The Quality Improvement Specialist works in their assigned region, visiting participating program sites to support their continuous quality improvement plans. The Central Office provides each Specialist with the equipment needed to manage extensive record-keeping and filing timely reports. Specialists also participate in regular virtual meetings and on-site meetings as needed. The QI Specialist is supervised by the Quality Improvement Manager. The QI Specialist collaborates with regional QI Specialist teams as well as the Central Office staff. This role has two open positions – one in New York City and one in the Hudson Valley/Poughkeepsie area.
