General Description

MISSION

Children need to spend their most critical years with dedicated, educated, trained, and well-compensated individuals in order to thrive. The New York Early Childhood Professional Development Institute leads the work to establish and implement an early childhood workforce system to ensure funding, standards and competencies, career development resources, qualifications and credentials, professional development (training and strengths-based coaching), and program quality assurance and improvement for individuals who work with young children throughout New York. Housed at the City University of New York, the Institute is a fast-paced, dynamic public/private partnership that is committed to the early childhood workforce across New York State. The Institute is the implementing agency for QUALITYstarsNY.

QUALITYstarsNY is New York State's voluntary 5-Star early childhood quality rating and improvement system. Since its inception, QUALITYstarsNY has focused its evidence-based practices to ensure that young children in participating programs have access to excellence and families can trust the level of quality in the program they choose. Assessment, coaching, professional development, and a wide range of resources are made available to each site, enabling QUALITYstarsNY to support early childhood programs to earn higher star ratings.

GENERAL DESCRIPTION

Under the direct supervision of the Assistant Director of Quality Improvement, the Regional Quality Improvement Senior Coordinator (QISC), will work closely with the central office staff to implement the continuous quality improvement cycle of QUALITYstarsNY throughout New York State. The QISC will supervise a team of Quality Improvement Specialists serving specific regions across the state, who are responsible for creating and managing each program's Quality Improvement Plan and its supports, including fund allocations. The goal of this position is to effectively supervise and support the Quality Improvement Specialists with attention to monitoring Quality Improvement Plans. The QISC is responsible for building the

capacity of QIS through leadership, professional development, and a range of other supports to ensure success in the role.

Applicants should reside in Western New York, Finger Lakes, Central New York, or Southern Tier regions to be considered for the position.

DUTIES AND RESPONSIBILITIES

Leadership & Supervision

- Cooperate and collaborate with other central office staff on a regular and consistent basis to reach and/or exceed project goals as indicated in annual work plans.
- Supervise and coordinate assigned Quality Improvement Specialists, including case management and the effective development and monitoring of the Quality Improvement Plans.
- Timely completion of annual performance evaluations for all assigned Quality Improvement Specialists and coordinate professional development opportunities to encourage growth and success.
- Co-Lead the bi-annual staff retreats in collaboration with other central office staff and Quality Improvement Specialists

Management & Monitoring

- Implement, and monitor quality control systems to ensure accountability for contract and grant deliverables, including documentation, tracking, and data analysis.
- Contribute to the development and revisions of the QIS Staff Manual.
- Collaborate with project director and project managers to monitor and improve the database system(s), including the development and revisions of technical manuals for staff and participants.
- Support management of the hiring and on-boarding process for Quality Improvement Specialists, including development and facilitation of the new hire orientation.
- Support review of data to inform and strengthen practices that align with state and local priorities.
- Respond to data analysis and write reports that describe progress toward project goals and outcomes.

Communication & Partnerships

- Engage in building relationships with key stakeholders, representing and promoting the work of QUALITYstarsNY locally and across the state at various events, trainings, and meetings.
- Develop partnerships with key agencies across the state to enhance the project and supports for participants.
- Attend and contribute to project planning meetings and the development of the annual project calendar.
- Maintain efficient and organized records and files as part of the administrative team.

Other Duties

- Participate in staff meetings and trainings as required.

- Perform special projects and other duties as assigned.
