General Description

The Prisoner Reentry Institute (PRI) at John Jay College of Criminal Justice is seeking a seasoned full-time Deputy Director of Programs to provide its direct services with oversight, strategic planning, program development, and data management. The Deputy Director will collaborate with program managers to coordinate program planning, implementation, monitoring and evaluation with an eye toward continuously developing and improving systems. This is a newly created position that is supervised by the PRI Director and who, with the Director of Finance and Administration, will be part of the PRI executive team. The ideal candidate will be a highly organized thinker, strategic planner, and engaged supervisor. The ability to work collaboratively with all levels of leadership within PRI, the College, and the CUNY system as well as with funders and external partners is essential to the role.

About PRI

The Prisoner Reentry Institute is a center of research and action at the John Jay College of Criminal Justice/CUNY. PRI is committed to providing opportunities for people to live successfully in the community after involvement with the justice system. Capitalizing on its position within a large public university and recognizing the transformational power of education, PRI focuses much of its work on increasing access to higher education and career pathways for people with conviction histories. PRI's comprehensive and strategic approach includes direct service, research, technical assistance, and policy advocacy. Our staff of about 40 FTEs works in correctional facilities and the field, as well as in our midtown offices. PRI's direct service efforts include Fellowship Initiatives for John Jay students and a robust array of programs that create pathways to college and employment for people with conviction histories. That continuum of educational opportunities includes college readiness classes and testing inside jail and prisons, a college-in-prison program, comprehensive community-based academic reentry services, training in technology and navigator skills, and a growing portfolio of work readiness services.
