## General Description

---

Two to four project assistants are needed during the Fall 2017 semester to develop 20 animated videos of realistic patient-practitioner dialog of nutrition assessment and education.

Under the direction of the Project PI, project assistants create the animated videos utilizing GoAnimate software (provided). Completed videos will then be uploaded to U-Tube.

Hours are flexible.

## Other Duties

---

Meet with the Project PI to discuss script development and progress.

## Qualifications

---

Computer-based animation skills are required, as well as ability to develop character dialog.

Knowledge of nutrition and health care environments.

Must have your own computer and internet access.
