

THE GRADUATE CENTER CITY UNIVERSITY OF NEW YORK

## **Defense and Intelligence Research Forum**

## Advanced Science Research Center (ASRC) 85 St Nicholas Terrace, NYC Friday, May 6, 2022 9:30 am – 5:00 pm

Poster Sessionshowcase of faculty research in defense-related disciplines12pm-1pmComplimentary lunchWelcoming RemarksHector Cordero-Guzman, RFCUNY Interim President Tamera Schneider, Associate Vice Chancellor & University Vice Provost of Research at CUNY, virtual GreetingProgram Officer PresentationsKatie Wisecarver – Air Force Office of Scientific Initiatives (AFOSR) Research Programs at AFOSR1:15pm-1:45pmMark Spector – Office of Naval Research (ONR) High Level Overview of ONR1:45pm-2:15pmJoan Cleveland – Office of Naval Research (ONR), Virtual Presentation Multidisciplinary University Research Initiatives (MURI) Defense University Research Initiatives (MURI) Defense University Research Programs2:45pm-3:15pmJulia Barzyk – Army Research Office (ARO) Overview of DARPA Programs3:15pm-3:45pmKristen Jordan – Defense Advanced Research Projects Agency (DARPA) Overview of DARPA Programs3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer Science at CUNY Queens College	9:30am	Complimentary breakfast
10:00am-12:00pmShowcase of faculty research in defense-related disciplines12pm-1pmComplimentary lunchWelcoming Remarks1pm-1:15pmHector Cordero-Guzman, RFCUNY Interim President Tamera Schneider, Associate Vice Chancellor & University Vice Provost of Research at CUNY, Virtual GreetingProgram Officer Presentations Ratie Wisecarver – Air Force Office of Scientific Initiatives (AFOSR) Research Programs at AFOSR1:45pm-2:15pmMark Spector – Office of Naval Research (ONR) High Level Overview of ONR2:15pm-2:45pmJoan Cleveland – Office of Naval Research (ONR), Virtual Presentation Multidisciplinary University Research Initiatives (MURI) Defense University Research Initiatives (MURI) Defense University Research Programs2:45pm-3:15pmJulia Barzyk – Army Research Office (ARO) Overview of ARO Research Programs3:15pm-3:45pmKristen Jordan – Defense Advanced Research Programs3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer	Poster Session	
Welcoming Remarks1pm-1:15pmHector Cordero-Guzman, RFCUNY Interim President Tamera Schneider, Associate Vice Chancellor & University Vice Provost of Research at CUNY, Virtual GreetingProgram Officer Presentations1:15pm-1:45pmKatie Wisecarver – Air Force Office of Scientific Initiatives (AFOSR) Research Programs at AFOSR1:45pm-2:15pmMark Spector – Office of Naval Research (ONR) High Level Overview of ONR2:15pm-2:45pmJoan Cleveland – Office of Naval Research (ONR), Virtual Presentation Multidisciplinary University Research Initiatives (MURI) Defense University Research Instrumentation Program (DURIP)2:45pm-3:15pmJulia Barzyk – Army Research Office (ARO) Overview of DARPA Programs3:15pm-3:45pmKristen Jordan – Defense Advanced Research Projects Agency (DARPA) Overview of DARPA ProgramsPanel Discussion 3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer		Showcase of faculty research in defense-related disciplines
1pm-1:15pmHector Cordero-Guzman, RFCUNY Interim President Tamera Schneider, Associate Vice Chancellor & University Vice Provost of Research at CUNY, Virtual GreetingProgram Officer Presentations 1:15pm-1:45pmKatie Wisecarver – Air Force Office of Scientific Initiatives (AFOSR) Research Programs at AFOSR1:45pm-2:15pmMark Spector – Office of Naval Research (ONR) High Level Overview of ONR2:15pm-2:45pmJoan Cleveland – Office of Naval Research (ONR), Virtual Presentation Multidisciplinary University Research Initiatives (MURI) Defense University Research Instrumentation Program (DURIP)2:45pm-3:15pmJulia Barzyk – Army Research Office (ARO) Overview of DARPA Programs3:15pm-3:45pmKristen Jordan – Defense Advanced Research Projects Agency (DARPA) Overview of DARPA ProgramsPanel Discussion 3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer	12pm-1pm	Complimentary lunch
Tamera Schneider, Associate Vice Chancellor & University Vice Provost of Research at CUNY, Virtual GreetingProgram Officer Presentations1:15pm-1:45pmKatie Wisecarver – Air Force Office of Scientific Initiatives (AFOSR) Research Programs at AFOSR1:45pm-2:15pmMark Spector – Office of Naval Research (ONR) High Level Overview of ONR2:15pm-2:45pmJoan Cleveland – Office of Naval Research (ONR), Virtual Presentation Multidisciplinary University Research Initiatives (MURI) Defense University Research Instrumentation Program (DURIP)2:45pm-3:15pmJulia Barzyk – Army Research Office (ARO) Overview of ARO Research Programs3:15pm-3:45pmKristen Jordan – Defense Advanced Research Projects Agency (DARPA) Overview of DARPA ProgramsPanel Discussion 3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer	Welcoming Remarks	
CUNY, Virtual GreetingProgram Officer Presentations1:15pm-1:45pmKatie Wisecarver – Air Force Office of Scientific Initiatives (AFOSR) Research Programs at AFOSR1:45pm-2:15pmMark Spector – Office of Naval Research (ONR) High Level Overview of ONR2:15pm-2:45pmJoan Cleveland – Office of Naval Research (ONR), Virtual Presentation Multidisciplinary University Research Initiatives (MURI) Defense University Research Instrumentation Program (DURIP)2:45pm-3:15pmJulia Barzyk – Army Research Office (ARO) Overview of ARO Research Programs3:15pm-3:45pmKristen Jordan – Defense Advanced Research Projects Agency (DARPA) Overview of DARPA ProgramsPanel Discussion 3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer	-	
1:15pm-1:45pmKatie Wisecarver – Air Force Office of Scientific Initiatives (AFOSR) Research Programs at AFOSR1:45pm-2:15pmMark Spector – Office of Naval Research (ONR) High Level Overview of ONR2:15pm-2:45pmJoan Cleveland – Office of Naval Research (ONR), Virtual Presentation Multidisciplinary University Research Initiatives (MURI) Defense University Research Instrumentation Program (DURIP)2:45pm-3:15pmJulia Barzyk – Army Research Office (ARO) Overview of ARO Research Programs3:15pm-3:45pmKristen Jordan – Defense Advanced Research Projects Agency (DARPA) Overview of DARPA ProgramsPanel Discussion 3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer		
1:15pm-1:45pmKatie Wisecarver – Air Force Office of Scientific Initiatives (AFOSR) Research Programs at AFOSR1:45pm-2:15pmMark Spector – Office of Naval Research (ONR) High Level Overview of ONR2:15pm-2:45pmJoan Cleveland – Office of Naval Research (ONR), Virtual Presentation Multidisciplinary University Research Initiatives (MURI) Defense University Research Instrumentation Program (DURIP)2:45pm-3:15pmJulia Barzyk – Army Research Office (ARO) Overview of ARO Research Programs3:15pm-3:45pmKristen Jordan – Defense Advanced Research Projects Agency (DARPA) Overview of DARPA ProgramsPanel Discussion 3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer	Program Officer Presentations	
Research Programs at AFOSR1:45pm-2:15pmMark Spector – Office of Naval Research (ONR) High Level Overview of ONR2:15pm-2:45pmJoan Cleveland – Office of Naval Research (ONR), Virtual Presentation Multidisciplinary University Research Initiatives (MURI) Defense University Research Instrumentation Program (DURIP)2:45pm-3:15pmJulia Barzyk – Army Research Office (ARO) Overview of ARO Research Programs3:15pm-3:45pmKristen Jordan – Defense Advanced Research Projects Agency (DARPA) Overview of DARPA ProgramsPanel Discussion 3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer	-	
High Level Overview of ONR2:15pm-2:45pmJoan Cleveland – Office of Naval Research (ONR), Virtual Presentation Multidisciplinary University Research Initiatives (MURI) Defense University Research Instrumentation Program (DURIP)2:45pm-3:15pmJulia Barzyk – Army Research Office (ARO) Overview of ARO Research Programs3:15pm-3:45pmKristen Jordan – Defense Advanced Research Projects Agency (DARPA) Overview of DARPA ProgramsPanel Discussion 3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer	1120pm 1110pm	
High Level Overview of ONR2:15pm-2:45pmJoan Cleveland – Office of Naval Research (ONR), Virtual Presentation Multidisciplinary University Research Initiatives (MURI) Defense University Research Instrumentation Program (DURIP)2:45pm-3:15pmJulia Barzyk – Army Research Office (ARO) Overview of ARO Research Programs3:15pm-3:45pmKristen Jordan – Defense Advanced Research Projects Agency (DARPA) Overview of DARPA ProgramsPanel Discussion 3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer	1:45pm-2:15pm	Mark Spector – Office of Naval Research (ONR)
Multidisciplinary University Research Initiatives (MURI) Defense University Research Instrumentation Program (DURIP)2:45pm-3:15pmJulia Barzyk – Army Research Office (ARO) Overview of ARO Research Programs3:15pm-3:45pmKristen Jordan – Defense Advanced Research Projects Agency (DARPA) Overview of DARPA ProgramsPanel Discussion 3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer	ekek	
Multidisciplinary University Research Initiatives (MURI) Defense University Research Instrumentation Program (DURIP)2:45pm-3:15pmJulia Barzyk – Army Research Office (ARO) Overview of ARO Research Programs3:15pm-3:45pmKristen Jordan – Defense Advanced Research Projects Agency (DARPA) Overview of DARPA ProgramsPanel Discussion 3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer	2:15pm-2:45pm	Joan Cleveland – Office of Naval Research (ONR). Virtual Presentation
Defense University Research Instrumentation Program (DURIP)2:45pm-3:15pmJulia Barzyk – Army Research Office (ARO) Overview of ARO Research Programs3:15pm-3:45pmKristen Jordan – Defense Advanced Research Projects Agency (DARPA) Overview of DARPA ProgramsPanel Discussion 3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer		
Overview of ARO Research Programs3:15pm-3:45pmKristen Jordan – Defense Advanced Research Projects Agency (DARPA) Overview of DARPA ProgramsPanel Discussion 3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer		
Overview of ARO Research Programs3:15pm-3:45pmKristen Jordan – Defense Advanced Research Projects Agency (DARPA) Overview of DARPA ProgramsPanel Discussion 3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer	2:45pm-3:15pm	Julia Barzyk – Army Research Office (ARO)
Overview of DARPA Programs         Panel Discussion         3:45pm-4:15pm       The Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer		
Panel Discussion3:45pm-4:15pmThe Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer	3:15pm-3:45pm	Kristen Jordan – Defense Advanced Research Projects Agency (DARPA)
3:45pm-4:15pm The Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer		Overview of DARPA Programs
3:45pm-4:15pm The Future of Defense-Related Research Grants Programs D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer	Panel Discussion	
D&I Presenters and Moderator, Delaram Kahrobaei, Professor of Computer		The Future of Defense-Related Research Grants Programs
