REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors of the Research Foundation of The City University of New York:

Report on the financial statements

We have audited the accompanying consolidated financial statements of the Research Foundation of The City University of New York and its related entities (collectively, "RF CUNY"), which comprise the consolidated balance sheet as of June 30, 2019, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to RF CUNY's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RF CUNY's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Grant Thornton LLP is the U.S. member firm of Grant Thornton International Ltd (GTIL). GTIL and each of its member firms are separate legal entities and are not a worldwide partnership.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Research Foundation of The City University of New York and its related entities as of June 30, 2019, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other matters

Supplementary information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance") included in pages 20 - 60, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the 2019 consolidated financial statements and certain additional procedures. These additional procedures included comparing and reconciling the information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the 2019 consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the 2019 consolidated financial statements as a whole.

2018 Consolidated financial statements

The consolidated financial statements of RF CUNY as of and for the year ended June 30, 2018 were audited by other auditors. Those auditors expressed an unmodified opinion on those 2018 consolidated financial statements in their report dated October 24, 2018.

Other reporting required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report, dated October 18, 2019, on our consideration of RF CUNY's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering RF CUNY's internal control over financial reporting and compliance.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2019 and 2018

NOTE 1 - ORGANIZATION AND PURPOSE

The Research Foundation of The City University of New York (the "Foundation") was chartered in 1963 to further the purposes of The City University of New York (the "University" or "CUNY") through the pursuit, acquisition, and administration of grants and gifts. The Foundation is a separate legal entity and is exempt from federal income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code (the "Code") and similar state provisions.

230 West 41st Street LLC (the "LLC") was established on May 7, 2004 as a Delaware limited liability company and organized pursuant to the Limited Liability Operating Agreement (the "Agreement") dated July 14, 2004 between the Foundation (the Sole Member with a 100% interest in the LLC) and the LLC. The LLC was formed to acquire, own, and operate an approximate 300,000 square-foot office building located at 230 West 41st Street in New York, New York (the "Property"). The LLC is a single member limited liability company and, accordingly, is treated as a disregarded entity for federal, state, and local income tax purposes.

GrantsPlus Inc. ("GrantsPlus") was created by the Foundation and incorporated in May 2004 to provide postaward administration of sponsored programs for not-for-profit organizations other than the Foundation or CUNY. GrantsPlus is a separate legal entity exempt from federal income taxes under the provisions of Section 501(c)(3) of the Code and similar state provisions. All postaward administration of sponsored programs provided by GrantsPlus ended effective June 30, 2019.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying consolidated financial statements, which consolidate the accounts of the Foundation, the LLC, and GrantsPlus (collectively, "RF CUNY"), are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America for external financial reporting by not-for-profit organizations. All intercompany accounts and transactions have been eliminated in consolidation.

In August 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities* ("ASU 2016-14"). The ASU amended the reporting model of not-for-profit organizations and requires certain additional disclosures and was adopted by RF CUNY in fiscal 2019 on a retrospective basis. The significant changes include:

- Presentation of two net asset classes "net assets without donor restrictions" and "net assets with donor restrictions";
- Underwater endowment funds, if any, are included within net assets with donor restrictions;
- Releases from restrictions, if any, on gifts used to acquire or construct long-lived assets, absent explicit donor stipulations, are recognized when the assets are placed in service;
- An analysis of expenses by function and nature is presented in the notes to the consolidated financial statements;
- Quantitative and qualitative disclosure on liquidity; and
- Investment return is presented net of external and direct internal investment expenses.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2019 and 2018

Net assets and changes in net assets are classified based on the existence or absence of donor-imposed restrictions, if any. Accordingly, net assets are classified and reported as follows:

Net Assets Without Donor Restrictions

Net assets without donor restrictions represent resources which are not restricted by donors and, therefore, are fully available at the discretion of the Foundation's Board of Directors and management in meeting its organizational mission and operational objectives. Net assets without donor restrictions may be designated for specific purposes by the Foundation's Board of Directors or may be limited by legal requirements or contractual agreements with outside parties.

Net Assets With Donor Restrictions

Net assets with donor restrictions represent resources which are subject to donor-imposed stipulations whose use is restricted by time and/or purpose. When donor restrictions expire, that is, when a purpose restriction is fulfilled or a time restriction ends, such net assets are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions.

At June 30, 2019 and 2018, none of RF CUNY's net assets or changes therein were subject to donorimposed restrictions and, accordingly, were classified and reported as net assets without donor restrictions.

Revenues and gains and losses on investments and other assets are reported as changes in net assets without donor restrictions unless limited by explicit donor-imposed restrictions or by law. Expenses are reported as decreases in net assets without donor restrictions.

Grants and Contracts Revenue Recognition

Revenue from grants and contracts, awarded to and accepted by the Foundation, GrantsPlus, and various units of the University, as joint grantees, primarily for research, training, other sponsored activity and other institutional activity, is recognized as earned, that is, as the related costs are incurred under the grant or contract agreements. Included in private grants and contracts revenue are grants sponsored by CUNY, totaling approximately \$29,943,000 and \$43,488,000 for the years ended June 30, 2019 and 2018, respectively.

Facilities and administrative costs recovered on grants and contracts are recorded at rates negotiated by the Foundation with its federal cognizant agency or predetermined by the nonfederal sponsor. Facilities and administrative cost rates for government grants and contracts are subject to audit, and subsequent final settlements, if any, are recorded as current period adjustments. Management believes the impact of any future settlements to be immaterial to the accompanying consolidated financial statements.

The cost of operating the Foundation is covered by a fee charged on the activity it administers. Sponsored projects and all recovery account activity are included in the fee calculation. The current fee structure recognizes that services vary widely, depending on the requirements of each sponsored research project, and that there are varying costs associated with each service, driven largely by workload. The Foundation has identified six distinct areas of cost – construction, personal services, other than personal services, independent contractor agreements/MOUs, subawards and equipment grants. The fee is assessed based on actual project expenditures, not award amounts, and is generally paid with college overhead funds.

Use of Estimates

The preparation of consolidated financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingencies at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. These estimates and

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2019 and 2018

assumptions are based on management's best estimates and judgment. Management evaluates its estimates and assumptions on an ongoing basis using historical experience and other factors and adjusts such estimates when facts and circumstances dictate. In the preparation of RF CUNY's consolidated financial statements, management uses significant accounting estimates with respect to the valuation of accounts receivable and postretirement benefit obligation.

Cash Equivalents

Highly liquid debt instruments with maturities at date of purchase of three months or less are classified as cash equivalents, except for those short-term investments that are managed by an external investment manager for long-term investment purposes.

Investments

Investments are reported at fair value based upon quoted market prices. Realized and unrealized gains and losses on investments are reflected in the accompanying consolidated statements of activities.

The fair value of debt and equity securities with a readily determinable fair value is based on quotations obtained from national security exchanges. The fair value of non-U.S Treasury debt securities is determined by a nationally recognized independent pricing service.

Purchases and sales of securities are reflected on a trade-date basis. Gains and losses on sales of securities are based on average cost and are recorded in the consolidated statements of activities in the period in which the securities are sold. Dividends are accrued based on the ex-dividend date. Interest is recognized as earned.

Common trust funds are carried at net asset values ("NAV") as provided by the investment managers as of the reporting date.

All investment securities are exposed to various risks such as interest risk, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and such changes could materially affect the amounts reported in the accompanying consolidated financial statements.

Rental Revenue Recognition

Base rental income relating to the LLC is recognized on a straight-line basis, rather than in accordance with lease payment schedules. Accordingly, scheduled base rent increases and the effects of rent abatements are spread evenly over the terms of the respective leases. Differences between the straight-line rents recorded and the amounts actually received are reported as deferred rent receivable in the accompanying consolidated balance sheets. Allowances are provided for uncollectible amounts, as appropriate.

Rental Property

Building and building improvements of the LLC are carried at cost and are depreciated, using the straightline method, over their estimated useful lives of 39 years or the life of the improvements, whichever is shorter. Significant renovations or improvements, which extend the economic life of the Property, are capitalized. Expenditures for maintenance and repairs are expensed as incurred.

The LLC reviews the carrying amount of the Property for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. No impairment adjustments have been made as a result of this review process during 2019 or 2018.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2019 and 2018

Furniture, Fixtures and Equipment

Furniture, fixtures, and equipment and leasehold improvements are stated at cost. Depreciation of furniture, fixtures, and equipment is computed on a straight-line basis, over the estimated useful lives of the assets, ranging from five to seven years. Amortization of leasehold improvements is computed on a straight-line basis, over the estimated useful lives of the assets, not to exceed the remaining life of the lease.

Equipment purchased by the Foundation on behalf of various units of the University from grant and contract funds is to be used in the project for which it was purchased and is not included in the Foundation's fixed assets in the accompanying consolidated balance sheets as it is subject to return to those respective grantors.

Purchase Accounting for Acquisition of Real Estate

The fair value of the LLC's acquired rental property was allocated to the acquired tangible assets, consisting of land and building; and identified intangible assets and liabilities, consisting of the value of above-market and below-market leases, other value of in-place leases, and value of tenant relationships, based in each case on their respective fair values.

Deferred Costs

Deferred financing costs were incurred in obtaining long-term financing for the LLC's Property acquisition. Such costs are being amortized on a straight-line basis over the term of the related debt and are recorded as a component of interest expense.

Restricted Cash

Restricted cash of the LLC includes amounts to be funded for tenant improvements, repairs, real estate taxes, and insurance as required by the LLC's loan agreement. Restricted cash also includes tenant security deposits held in accordance with tenant leases and other tenant deposits held for improvements to leased space.

Deposits Held in Custody for CUNY Colleges

Deposits held in custody for CUNY colleges reflect those resources held on behalf of the individual colleges of the University. These accounts are credited with recoveries related to facilities and administrative costs, released time and summer salary recoveries, as well as, CUNY Charitable Gift Trust Annuity Funds of the respective colleges.

Fair Value Measurements

Fair value is determined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. RF CUNY measures the fair value of its financial assets using a three-level hierarchy for fair value measurements based on the observable inputs to the valuation of an asset or liability at measurement date. It prioritizes the inputs to the valuation techniques used to measure fair value by giving the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

RF CUNY's interests in common trust funds are generally reported at NAV per share by the fund managers, which is used as a practical expedient to estimate the fair value of such investments. Those funds that use NAV as a practical expedient to estimate fair value are not categorized in the fair value hierarchy.

Income Taxes

The effects of uncertain tax positions are recognized only if those positions are more-likely-than-not of being sustained. No such positions have been recorded in the consolidated financial statements as of June 30, 2019 or 2018.

New Authoritative Accounting Pronouncements

In November 2016, the FASB issued ASU 2016-18, Statement of Cash Flows - Restricted Cash, which requires that the statement of cash flows explain the change during the period in the total of cash, cash equivalents, and amounts generally described as restricted cash or restricted cash equivalents. Therefore, amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts shown on the statement of cash flows. The provisions of this ASU are effective for RF CUNY for annual periods beginning after December 15, 2018 and interim periods thereafter. Early adoption is permitted. RF CUNY is in the process of evaluating the impact of this ASU on its consolidated financial statements and will implement such requirements in its fiscal year ending June 30, 2020.

In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842), which requires lessees and lessors to recognize leases on-balance sheet and disclose key information about leasing arrangements. ASC Topic 842 (ASC 842) establishes a right of use ("ROU") model that requires lessees and lessors to recognize a ROU asset and lease liability on the balance sheet for all leases with a term longer than 12 months. Leases will be classified as finance or operating, with classification affecting the pattern and classification of expense recognition in the income statement. This ASU is effective for RF CUNY for annual periods beginning after December 15, 2019 and interim periods thereafter. Early adoption is permitted. RF CUNY is in the process of evaluating the impact of the ASU.

In May 2014, the FASB issued ASU 2014-09, Revenue from Contracts with Customers. This ASU provides updated guidance to use in accounting for revenue arising from contracts with customers and supersedes most current revenue recognition guidance. Contribution revenue is specifically excluded from the scope of this update. This guidance is effective for RF CUNY for annual periods beginning after December 15, 2018. RF CUNY is currently assessing the effect that adoption of the new standard will have on its financial statements.

In June 2018, the FASB issued ASU 2018-08, "Clarifying the scope and the accounting guidance for contributions received and contributions made." This ASU provides framework for determining whether a transaction should be accounted for as a contribution or as an exchange transaction, as well as guidance to assist entities in determining whether a contribution is either conditional or unconditional. This update is effective for RF CUNY's fiscal year beginning July 1, 2019. RF CUNY is currently assessing the effect that adoption of the new standard will have on its consolidated financial statements.

NOTE 3 - INVESTMENTS

Investments held by the Foundation consisted of the following at June 30, 2019 and 2018:

		Fair Value				
	_	2019	_	2018		
U.S. money market	\$	1,621,488	\$	107,334

Total	\$	55,018,633	\$	48,428,469		

At June 30, 2019 and 2018, the Foundation's investments were categorized as Level 1, except for U.S. corporate bonds, which were categorized as Level 2.

NOTE 4 - PENSION AND OTHER RETIREMENT BENEFITS

Eligible employees of the Foundation and certain project personnel are covered under a defined contribution pension plan established with Teachers Insurance and Annuity Association. The Foundation's contribution to the pension plan is based on specified percentages, ranging from 8% to 14%, of each employee's annual salary. Total pension expense for the years ended June 30, 2019 and 2018 was approximately \$10,753,000 and \$11,641,000, respectively. There are no unfunded past service costs.

In addition to providing pension benefits, the Foundation also provides postemployment benefits, including salary continuance, to certain employees. The cost of these benefits is accrued over the employees' years of service. Postemployment benefits liability included in accounts payable and accrued expenses was \$2,877,890 and \$2,977,624 as of June 30, 2019 and 2018, respectively.

The Foundation also provides certain healthcare benefits to retired employees (including eligible dependents) who have a combination of age and years of service equal to 70 with a minimum age of 62 and at least 10 years of continuous service. The Foundation accounts for postretirement medical and other nonpension benefits provided to retirees on an accrual basis during the period of their employment.

The Foundation charges grants and contracts, as well as the administrative services department for postretirement benefit costs through the application of a fringe benefit rate, an element of which is based upon the estimated amount of such costs. In addition, a charge or credit is recognized in administrative services expenses for the difference between the actuarially determined net periodic postretirement benefit cost and the amount funded (claims paid and contributions to the trust).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2019 and 2018

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of June 30, 2019 and 2018, respectively.

	2019 fair value	2018 fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period	Redemption restrictions
Common trust funds (a)	\$11,127,689	\$8,390,344	None	Daily	1 Day	None

(a) This category is comprised of investments in an equity fund, a fixed income fund and a short-term investment fund. The equity and fixed income funds are designed to provide investment results that correspond to the price and yield performance of publicly traded common stocks of large-sized and mid-sized domestic companies, respectively. The short-term investment fund is designed to invest and reinvest substantially all of its assets in short-term obligations having a stated maturity date of 365 days or less.

NOTE 5 - DEFERRED REVENUE

June 30, 2019 and 2018

Pursuant to the individual tenant leases, the tenants pay their proportionate share of operating the Property, including real estate taxes, certain insurance premiums, and other expenses that are not included above. CUNY's portion of the above future minimum rental receipts is approximately \$111,000,000.

Letter of Credit

In fiscal year 2008, the Foundation entered into an agreement with one of its health insurance carriers whereby the Foundation is required to pay the carrier, in advance, for claims incurred but not reported in the event of plan termination. The carrier has allowed the Foundation to retain this payment, which totals \$3,254,491, is included as a component of accounts payable and accrued expenses in the accompanying consolidated balance sheets as of June 30, 2019 and 2018, and is secured by an irrevocable letter of credit to the carrier for the same amount, which expires on December 31, 2019.

NOTE 7 - RENTAL PROPERTY

Rental property (95% occupied as of June 30, 2019) consisted of the following at June 30, 2019 and 2018:

	2019	2018

NOTE 8 - MORTGAGE LOAN PAYABLE, NET

Outstanding mortgage loan payable as of June 30, 2019 and 2018 consisted of the following:

	2019	2018
Mortgage loan payable Less unamortized costs of issuance	\$ 64,048,766 (1,083,294)	\$ 65,354,450 (1,126,865)
Mortgage loan payable, net	\$ 62,965,472	\$ 64,227,585

The LLC entered into a mortgage loan (the "loan") on May 12, 2014 with an original principal amount of \$70 million which matures on June 1, 2044. The loan bears interest at a rate of 4.75%. The monthly principal and interest payments of \$365,153 began on July 1, 2014. The mortgage is amortized over 30 years with options to be called by the bank in 10 years and then every 5 years thereafter until the mortgage matures. The loan is collateralized by the Property and assignment of rents and other payments from the tenants and is guaranteed by the Foundation. The LLC incurred \$1,307,121 of financing costs in connection with obtaining the loan, which are being amortized over the life of the loan.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2019 and 2018

At June 30, 2019, future minimum principal payments were as follows:

Included in restricted cash in the accompanying consolidated balance sheets are balances in escrow accounts, including interest earned, of approximately \$2,335,000 and \$2,250,000 as of June 30, 2019 and 2018, respectively. Under the terms of the loan, the LLC is required to deposit annual payments of \$500,000 beginning on May 15, 2015 through May 15, 2019 and an additional payment of \$198,515 on May 15, 2020 into an escrow account maintained by the mortgage bank for future tenant improvements related to CUNY's extended lease.

NOTE 9 - RELATED PARTY TRANSACTIONS

The Foundation has an agreement with the LLC to lease 66,867 square feet of space in the LLC's Property. CUNY has an agreement with the LLC to lease 122,424 square feet of space in the Property. Both agreements are scheduled to expire in June 2034. For the years ended June 30, 2019 and 2018, rental revenue from CUNY was \$5,502,576 and \$5,425,367, respectively. Approximately \$22,000 was receivable from CUNY at June 30, 2019.

In fiscal years 2019 and 2018, the Foundation approved grants to CUNY for central research initiatives of \$2,300,000 annually. Grants payable to CUNY at June 30, 2019 and 2018 were \$2,579,475 and \$1,821,540, respectively.

For the years ended June 30, 2019 and 2018, GrantsPlus management fee to the Foundation for services rendered was \$144,500 and \$152,000, respectively, which was eliminated in consolidation.

NOTE 10 - PROPERTY MANAGEMENT FEES

The LLC has a management agreement that operates on a month-to-month basis with a third party to manage and provide leasing services to the Property. Such expenses are included in operating expenses in the consolidated statements of activities. Additionally, the LLC pays the property manager a commission in accordance with the terms of the management agreement if the Property manager procures a new lease or an extension, renewal, or expansion of an existing lease for space in the Property during the term of this agreement; such costs are reported as deferred costs in the accompanying consolidated balance sheets.

NOTE 11 - REAL ESTATE TAX EXEMPTION

During fiscal years 2019 and 2018, the LLC obtained a real estate tax reduction amounting to \$1,837,403 and \$1,632,569, respectively, relating to an exemption for the portion of the Property used by CUNY as a not-for-profit, tax exempt organization.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

For the year ended June 30, 2019

NOTE A - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") presents the expenditures charged to federal programs of the Research Foundation of The City University of New York and its related entities ("RF CUNY") for the year ended June 30, 2019. The information in this Schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations (CFR) Part 200,* Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance").

Federal awards, principally federal student financial assistance, received and administered by The City University of New York (the "University"), are not included in the accompanying Schedule because the University prepares a separate report for such federal awards programs.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNT POLICIES

Expenditures reported in the Schedule are reported on the cash basis of accounting. Such expenditures are recognized in accordance with the cost principles contained in the Uniform Guidance. Accordingly, certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

RF CUNY's consolidated financial statements were prepared on the accrual basis of accounting; therefore, certain amounts presented in the Schedule differ from amounts presented in, or used in the preparation of, RF CUNY's consolidated financial statements. However, management has reconciled amounts presented in the consolidated financial statements to related amounts in the Schedule.

RF CUNY utilizes an approved indirect cost rate negotiated with cognizant agency, the U.S. Department of Health and Human Services ("DHHS"), to charge facilities and administrative costs to sponsored projects. Such rate is subject to audit and potential adjustment by DHHS. Therefore, RF CUNY elected not to use the 10% deminimis indirect cost rate allowed under the Uniform Guidance.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of the Research Foundation of The City University of New York:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of the Research Foundation of The City University of New York and its related entities (collectively, "RF CUNY"), which comprise the consolidated balance sheet as of June 30, 2019, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated October 18, 2019.

Internal control over financial reporting

In planning and performing our audit of the consolidated financial statements, we considered RF CUNY's internal control over financial reporting ("internal control") to design audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express an opinion on the effectiveness of RF CUNY's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of RF CUNY's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in RF CUNY's internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and other matters

As part of obtaining reasonable assurance about whether RF CUNY's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Intended purpose

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of RF CUNY's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering RF CUNY's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of the **Research Foundation of The City University of New York:**

Report on compliance for each major federal program

We have audited the compliance of the Research Foundation of The City University of New York and its related entities (collectively, "RF CUNY"), with the types of compliance requirements described in the U.S. Office of Management and Budget's *OMB Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019. RF CUNY's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to RF CUNY's federal programs.

Auditor's responsibility

Our responsibility is to express an opinion on compliance for each of RF CUNY's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations (CFR) Part 200,* Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about RF CUNY's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of RF CUNY's compliance.

Opinion on each major federal program

In our opinion, RF CUNY complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019.

Report on internal control over compliance

Management of RF CUNY is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered RF CUNY's internal control over compliance with the types of compliance requirements that could have a direct and material effect on each major federal program to design audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of RF CUNY's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in RF CUNY's internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this Report on Internal Control Over Compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
