

Mobile payments from ABS

Faster payments, more secure, and contactless = a better user experience for you as a participant

Contactless payments

Mobile payments = contactless! less germs, faster (and more secure) purchases, and a better user experience.

Add your benefits debit card to your mobile wallet

Whether you use Google Pay, Apple Pay, or Samsung Pay, quickly add the benefits debit card to your mobile wallet with just a few taps on your device.

Access the benefits debit card via mobile wallet to pay for eligible expenses

With mobile payments, you don't need to use (or even bring) your debit card when you want to pay for eligible expenses. The card will be accessible (alongside the rest of your credit or debit cards) in your mobile wallet.

With mobile payments, you have the option to add the debit card to the mobile wallet to pay for an eligible expense or take advantage of commuter or parking benefits are on-the-go.
