**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

Board of Directors of the  
Research Foundation of The City University of New York

**Report on the audit of the financial statements****Opinion**

We have audited the consolidated financial statements of the Research Foundation of The City University of New York and its related entity (collectively, "RF CUNY"), which comprise the consolidated balance sheets as of June 30, 2024 and 2023, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of RF CUNY as of June 30, 2024 and 2023, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for opinion**

We conducted our audits of the consolidated financial statements in accordance with auditing standards generally accepted in the United States of America (US GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of RF CUNY and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RF CUNY's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RF CUNY's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about RF CUNY's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplementary information**

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The schedule of expenditures of federal awards, as required by Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance") on pages 26 - 48, and the 2024 consolidating information included on pages 6 - 7, are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures.

These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with US GAAS. In our opinion, the accompanying supplementary information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

**Other reporting required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated September 20, 2024, on our consideration of RF CUNY's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of RF CUNY's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering RF CUNY's internal control over financial reporting and compliance.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

**June 30, 2024 and 2023**

**NOTE 1 - ORGANIZATION AND PURPOSE**

The Research Foundation of The City University of New York (the "Foundation") was chartered in 1963 to further the purposes of The City University of New York (the "University" or "CUNY") through the pursuit, acquisition, and administration of grants and gifts. The Foundation is a separate legal entity and is exempt from federal income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code (the "Code") and similar state provisions.

230 West 41st Street LLC (the "LLC") was established on May 7, 2004 as a Delaware limited liability company and organized pursuant to the Limited Liability Operating Agreement (the "Agreement") dated July 14, 2004 between the Foundation (the Sole Member with a 100% interest in the LLC) and the LLC. The LLC was formed to acquire, own, and operate an approximately 300,000 square-foot office building located at 230 West 41st Street in New York, New York (the "Property"). The LLC is a single member limited liability company and, accordingly, is treated as a disregarded entity for federal, state, and local income tax purposes.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Presentation***

The accompanying consolidated financial statements, which consolidate the accounts of the Foundation and the LLC (collectively, "RF CUNY"), are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") for external financial reporting by not-for-profit organizations. All intercompany accounts and transactions have been eliminated in consolidation.

Net assets and changes in net assets are classified based on the existence or absence of donor-imposed restrictions, if any. Accordingly, net assets are classified and reported as follows:

**Net Assets Without Donor Restrictions**

Net assets without donor restrictions represent resources that are not restricted by donors and, therefore, are fully available at the discretion of the Foundation's Board of Directors and management in meeting its organizational mission and operational objectives. Net assets without donor restrictions may be designated for specific purposes by the Foundation's Board of Directors or may be limited by legal requirements or contractual agreements with outside parties.

**Net Assets With Donor Restrictions**

Net assets with donor restrictions represent resources that are subject to donor-imposed stipulations whose use is restricted by time and/or purpose. When donor restrictions expire, that is, when a purpose restriction is fulfilled or a time restriction ends, such net assets are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions.

At June 30, 2024 and 2023, none of RF CUNY's net assets or changes therein were subject to donor-imposed restrictions and, accordingly, were classified and reported as net assets without donor restrictions.

Revenues and gains and losses on investments and other assets are reported as changes in net assets without donor restrictions unless limited by explicit donor-imposed restrictions or by law. Expenses are reported as decreases in net assets without donor restrictions.

**Research Foundation of The City University of New York and Related Entity**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2024 and 2023**

***Grants and Contracts Revenue Recognition***

RF CUNY recognizes government and private grants and contracts as either contributions or exchange transaction revenues, depending on whether the transaction is reciprocal or nonreciprocal. For contributions, revenue is recognized when a contribution becomes unconditional. Typically, grant and contract agreements contain a right of return or right of release from the respective obligation provision on the part of the grantor and RF CUNY has limited discretion over how funds transferred should be spent. As such, RF CUNY recognizes revenue for these conditional contributions when the related barrier to entitlement has been overcome.

Revenue from grants and contracts is awarded to and accepted by the Foundation and various units of the University, as joint grantees, primarily for research, training, other sponsored activity and other institutional activity. Included in private grants and contracts revenue are grants sponsored by CUNY, totaling approximately \$29,986,000 and \$24,653,000 for the years ended June 30, 2024 and 2023, respectively.

Facilities and administrative costs recovered on grants and contracts are recorded at rates negotiated by the Foundation with its federal cognizant agency or predetermined by the nonfederal sponsor. Facilities and administrative cost rates for government grants and contracts are subject to audit, and subsequent final settlements, if any, are recorded as current period adjustments. Management believes the impact of any future settlements to be immaterial to the accompanying consolidated financial statements.

The cost of operating the Foundation is covered by a fee charged on the activity it administers. Sponsored projects and all recovery account activity are included in the fee calculation. The current fee structure recognizes that services vary widely, depending on the requirements of each sponsored research project, and that there are varying costs associated with each service, driven largely by workload. The Foundation has identified six distinct areas of cost - construction, personnel services, other than personnel services, independent contractor agreements/MOUs, subawards and equipment grants. The fee is assessed based on actual project expenditures, not award amounts, and is generally paid with college overhead funds.

***Use of Estimates***

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingencies at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. These estimates and assumptions are based on management's best estimates and judgment. Management evaluates its estimates and assumptions on an ongoing basis using historical experience and other factors and adjusts such estimates when facts and circumstances dictate. In the preparation of RF CUNY's consolidated financial statements, management uses significant accounting estimates with respect to the valuation of accounts receivable, accruals related to grant and contracts revenues and expenses, deferred revenue and grants and contracts receivables, the useful lives assigned to fixed assets, the fair value of the interest rate swap agreement, and postretirement benefit obligations.

***Cash Equivalents***

Highly liquid debt instruments with maturities at date of purchase of three months or less are classified as cash equivalents, except for those short-term investments that are managed by an external investment manager for long-term investment purposes.

***Investments***

Investments are reported at fair value based upon quoted market prices. Realized and unrealized gains and losses on investments are reflected in the accompanying consolidated statements of activities.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2024 and 2023**

The fair value of debt and equity securities with a readily determinable fair value is based on quotations obtained from national security exchanges. The fair value of non-U.S. Treasury debt securities is determined by a nationally recognized independent pricing service.

Purchases and sales of securities are reflected on a trade-date basis. Gains and losses on sales of securities are based on average cost and are recorded in the consolidated statements of activities in the period in which the securities are sold. Dividends are accrued based on the ex-dividend date. Interest is recognized as earned.

Common trust funds are carried at net asset values ("NAV") as provided by the investment managers as of the reporting date.

All investment securities are exposed to various risks, such as interest risk, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and such changes could materially affect the amounts reported in the accompanying consolidated financial statements.

***Rental Revenue Recognition***

Base rental income relating to the LLC is recognized on a straight-line basis, rather than in accordance with lease payment schedules. Accordingly, scheduled base rent increases and the effects of rent abatements are spread evenly over the terms of the respective leases. Differences between the straight-line rents recorded and the amounts actually received are reported as deferred rent receivable in the accompanying consolidated balance sheets. Allowances are provided for uncollectible amounts, as appropriate.

***Rental Property***

Building and building improvements of the LLC are carried at cost and are depreciated, using the straight-line method, over their estimated useful lives of 39 years or the life of the improvements, whichever is shorter. Significant renovations or improvements that extend the economic life of the Property are capitalized. Expenditures for maintenance and repairs are expensed as incurred.

The LLC reviews the carrying amount of the Property for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. No impairment adjustments have been made as a result of this review process during 2024 or 2023.

***Furniture, Fixtures, and Equipment***

Furniture, fixtures, and equipment and leasehold improvements are stated at cost. Depreciation of furniture, fixtures, and equipment is computed on a straight-line basis over the estimated useful lives of the assets, ranging from five to seven years. Amortization of leasehold improvements is computed on a straight-line basis over the estimated useful lives of the assets, not to exceed the remaining life of the lease.

Equipment purchased by the Foundation on behalf of various units of the University from grant and contract funds is to be used in the project for which it was purchased and is not included in the Foundation's fixed assets in the accompanying consolidated balance sheets as it is subject to return to those respective grantors.

***Purchase Accounting for Acquisition of Real Estate***

The fair value of the LLC's acquired rental property was allocated to the acquired tangible assets, consisting of land and building; and identified intangible assets and liabilities, consisting of the value of above-market and below-market leases, other value of in-place leases, and value of tenant relationships, based in each case on their respective fair values.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2024 and 2023**

***Deferred Costs***

Deferred financing costs were incurred in obtaining long-term financing for the LLC's Property acquisition. Such costs are being amortized on a straight-line basis over the term of the related debt and are recorded as a component of interest expense.

***Restricted Cash***

Restricted cash of the LLC includes amounts for capital improvements, as required by the LLC's current loan agreement, and tenant security deposits as of June 30, 2024. Restricted cash as of June 30, 2023 under the old loan agreement required amounts to be held for tenant improvements, real estate taxes and insurance.

The following table provides a reconciliation of cash, cash equivalents, and restricted cash reported in the consolidated balance sheets that sum to the same such totals shown in the consolidated statements of cash flows:

	2024	2023
Cash and cash equivalents	\$ 272,191,034	\$ 269,215,600
Restricted cash	11,968,820	2,681,086
Total cash, cash equivalents and restricted cash	<u>\$ 284,159,854</u>	<u>\$ 271,896,686</u>

***Deposits Held in Custody for CUNY Colleges***

Deposits held in custody for CUNY colleges reflect those resources held on behalf of the individual colleges of the University. These accounts are credited with recoveries related to facilities and administrative costs, released time and summer salary recoveries, as well as CUNY Charitable Gift Trust Annuity Funds of the respective colleges.

***Fair Value Measurements***

Fair value is determined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. RF CUNY measures the fair value of its financial assets using a three-level hierarchy for fair value measurements based on the observable inputs to the valuation of an asset or liability at measurement date. It prioritizes the inputs to the valuation techniques used to measure fair value by giving the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

RF CUNY's interests in common trust funds are generally reported at NAV per share by the fund managers, which is used as a practical expedient to estimate the fair value of such investments. Those funds that use NAV as a practical expedient to estimate fair value are not categorized in the fair value hierarchy.

***Income Taxes***

RF CUNY is exempt from federal income tax under Section 501(a) of the Code as an organization described in section 501(c)(3), though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code.

RF CUNY follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement.

**Research Foundation of The City University of New York and Related Entity**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2024 and 2023**

This guidance provides that the tax effects from an uncertain tax position can only be recognized in the consolidated financial statements if the position is more likely than not to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged.

***Leases***

RF CUNY determines if an arrangement contains a lease at inception based on whether there is an identified asset and whether RF CUNY controls the use of the identified asset throughout the period of use. RF CUNY classifies leases as either financing or operating, which is determined at the commencement of the lease. Right-of-use ("ROU") assets are recognized at the lease commencement date and represent RF CUNY's right to use an underlying asset for the lease term and lease liabilities represent RF CUNY's obligation to make lease payments arising from the lease. Lease liabilities are recognized at the lease commencement date based on the present value of future lease payments over the remaining lease term. The present value of lease payments is discounted based on a risk-free rate.

***Recently Adopted Accounting Pronouncement***

Accounting Standards Update (ASU) 2016-13, Financial Instruments – Credit Losses, was effective for the Foundation on April 1, 2023. This ASU addresses measurement of credit losses on financial instruments and replaces the incurred loss impairment methodology with a methodology that reflects expected credit losses and requires consideration of a broader range of information to inform credit loss estimates. The Foundation evaluated the ASU and determined it does not have a significant impact on the consolidated financial statements.

***Interest Rate Swap Agreement***

RF CUNY uses an interest rate swap agreement as part of its risk management strategy to manage exposure to fluctuations in interest rates and to manage the overall cost of its variable rate debt. The interest rate swap agreement was not entered into for trading or speculative purposes and does not qualify as a hedge for financial reporting purposes. In accordance with U.S. GAAP, the interest rate swap agreement is measured at fair value and recognized as either an asset or liability on the consolidated balance sheets as of the measurement date. Changes in fair value are recorded as nonoperating activities on the consolidated statements of activities.

***Measure of Operations***

RF CUNY includes in its definition of operations all revenues and expenses that are an integral part of its programs and supporting activities. Changes in the Foundation's investment in the LLC, the LLC's distribution to the Foundation, the change in fair value of the interest rate swap agreement, postretirement benefit changes other than net periodic and service costs, and other items that are considered to be unusual or non-recurring in nature are recognized as part of nonoperating activities.

***Reclassifications***

Certain amounts pertaining to the 2023 consolidated financial statements have been reclassified to conform with the 2024 presentation. Such reclassifications did not change total assets, liabilities, net assets and revenues and expenses as previously reported.

**NOTE 3 - INVESTMENTS**

Investments held by the Foundation consisted of the following at June 30, 2024 and 2023:

	Fair Value	
	2024	2023
U.S. money market	\$ 3,942,539	\$ 5,129,337
U.S. treasury bills	42,008,098	25,806,339
U.S. government agency obligations	311,631	1,442,318
U.S. equity securities	1,055,219	1,002,583
U.S. corporate bonds	14,868,677	15,708,734
Total	<u>\$ 62,186,164</u>	<u>\$ 49,089,311</u>

At June 30, 2024 and 2023, the Foundation's investments were categorized as Level 1, except for U.S. corporate bonds, which were categorized as Level 2.

**NOTE 4 - PENSION AND OTHER RETIREMENT BENEFITS**

Eligible employees of the Foundation and certain project personnel are covered under a defined contribution pension plan established with Teachers Insurance and Annuity Association. The Foundation's contribution to the pension plan is based on specified percentages, ranging from 8% to 14% of each employee's annual salary. Total pension expense for the years ended June 30, 2024, and 2023 was \$13,252,756 and \$12,529,593, respectively. There are no unfunded past service costs.

In addition to providing pension benefits, the Foundation also provides postemployment benefits, including salary continuance, to certain employees. The cost of these benefits is accrued over the employees' years of service. Postemployment benefits liability included in accounts payable and accrued expenses was \$3,754,244 and \$3,479,797 as of June 30, 2024 and 2023, respectively.

The Foundation also provides certain healthcare benefits to retired employees (including eligible dependents) who have a combination of age and years of service equal to 70 with a minimum age of 62 and at least 10 years of continuous service. The Foundation accounts for postretirement medical and other non-pension benefits provided to retirees on an accrual basis during the period of their employment.

The Foundation charges grants and contracts, as well as the administrative services department for postretirement benefit costs through the application of a fringe benefit rate, an element of which is based upon the estimated amount of such costs. In addition, a charge or credit is recognized in administrative services expenses for the difference between the actuarially determined net periodic postretirement benefit cost and the amount funded (claims paid and contributions to the trust).

CUNY's portion of the above future minimum rental receipts is approximately \$79,000,000.

***Letter of Credit***

In fiscal year 2008, the Foundation entered into an agreement with one of its health insurance carriers whereby the Foundation is required to pay the carrier, in advance, for claims incurred but not reported in the event of plan termination. The carrier has allowed the Foundation to retain this payment, which totals \$3,125,400, is included as a component of accounts payable and accrued expenses in the accompanying consolidated balance sheets as of June 30, 2024 and 2023, and is secured by an irrevocable letter of credit to the carrier for the same amount, which expires on December 31, 2024.

**NOTE 8 - MORTGAGE LOAN PAYABLE, NET**

The outstanding mortgage loan payable as of June 30, 2024 and 2023 consisted of the following:

	<u>2024</u>	<u>2023</u>
Mortgage loan payable	\$ 69,795,680	\$ 58,160,621
Less unamortized costs of issuance	<u>(1,623,672)</u>	<u>(909,011)</u>
Mortgage loan payable, net	<u>\$ 68,172,008</u>	<u>\$ 57,251,610</u>

The LLC entered into a mortgage loan (the "old loan") on May 12, 2014 with an original principal amount of \$70 million, which matures on June 1, 2044. The loan bears interest at a rate of 4.75%. The monthly principal and interest payments of \$365,153 began on July 1, 2014. The old loan had a call option, and the lender exercised it and the old loan was called on June 1, 2024. Prior to the old loan being called, the LLC entered in negotiations with a new lender and entered into a new mortgage loan (the "new loan") on May 13, 2024 with an original principal amount of \$70 million, which matures on May 13, 2034. The new loan bears a fixed interest rate of 6.35%. The monthly principal and interest payments of \$438,917 plus the varying swap payment, began on June 1, 2024. The mortgage is amortized over 30 years, with a 10-year term. The loan is collateralized by the Property and assignment of rents and other payments from the tenants and is guaranteed by the Foundation. The LLC incurred \$1,651,128 of financing costs in connection with obtaining the loan, which are being amortized over the life of the loan.

Thereafter	<u>65,262,112</u>
	<u><u>\$ 69,795,680</u></u>

Under the terms of the new loan, the LLC held cash for capital reserves of approximately \$11,355,000 as of June 30, 2024, including interest of approximately \$30,000. Under the old loan, the LLC held cash in its escrow accounts, including interest earned, of approximately \$2,068,000 as of June 30, 2023. These balances are included in restricted cash in the accompanying consolidated balance sheets and are described further in Note 2.

**NOTE 9 - INTEREST RATE SWAP**

In connection with the new loan entered into on May 13, 2024, the LLC entered into an interest rate swap agreement with a notional amount of \$70 million.

Under the terms of the agreement, the Foundation pays a fixed rate of 6.35%, and receives the prevailing Secured Overnight Financing Rate plus 200 bps on the notional principal amount, which was \$69,795,680 at June 30, 2024.

The liability of the interest rate swap agreement, reported at fair value and categorized as Level 2 in the fair value hierarchy, is \$2,545,802 at June 30, 2024. The Foundation was not obligated under the interest rate swap agreement to post any collateral at June 30, 2024.

**NOTE 10 - RELATED PARTY TRANSACTIONS**

The Foundation has an agreement with the LLC to lease 66,867 square feet of space in the LLC's Property that expires in April 2034. To account for this lease, the Foundation recorded a right-of-use asset of \$34,119,372 and \$37,048,064, respectively, and a related lease liability of \$39,513,633 and \$41,997,368, respectively, for the years ended June 30, 2024 and 2023, on the accompanying consolidating balance sheets, both of which are eliminated in consolidation.

CUNY has an agreement with the LLC to lease 122,424 square feet of space in the Property of which 8,056 expires in March 2026 and 114,368 expires in April 2034. For the years ended June 30, 2024 and 2023, rental revenue from CUNY was \$6,726,406 and \$6,488,567, respectively.

In fiscal years 2024 and 2023, the Foundation approved grants to CUNY for central research initiatives of \$3,186,650 and \$2,993,650, respectively. Grants payable to CUNY at June 30, 2024 and 2023 were \$4,983,855 and \$5,236,539, respectively.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2024 and 2023**

**NOTE 11 - PROPERTY MANAGEMENT FEES**

The LLC has a management agreement with a third party to manage and provide leasing services to the Property that expires on July 1, 2024. Such expenses are included in operating expenses in the consolidated statements of activities. Additionally, the LLC pays the property manager a commission in accordance with the terms of the management agreement if the Property manager procures a new lease or an extension, renewal, or expansion of an existing lease for space in the Property during the term of this agreement; such costs are reported as deferred costs in the accompanying consolidated balance sheets and are amortized over the life of the lease. The LLC is in ongoing discussions with the third party to renew the management agreement that expires on July 1, 2024.

**NOTE 12 - REAL ESTATE TAX EXEMPTION**

During fiscal years 2024 and 2023, the LLC obtained a real estate tax reduction amounting to \$1,996,437 and \$1,871,247, respectively, relating to an exemption for the portions of the Property used by CUNY and the Foundation as not-for-profit, tax-exempt organizations.

**NOTE 13 - NATURAL CLASSIFICATION OF EXPENSES**

The Foundation's principal program service is grants administration. Expenses reported in the accompanying consolidated statements of activities as research, training, other sponsored activity and other institutional activity are directly incurred in connection with its program service. Costs are allocated and reported on a functional basis using specific identification. Administrative expenses include fundraising expenses of \$10,000 and \$13,000 for the years ended June 30, 2024, and 2023, respectively. Expenses by natural classification for the year ended June 30, 2024 consisted of the following:

RF CUNY maintains cash balances at a level designed to ensure short-term liquidity. In addition, a suitable portion of RF CUNY's investment balances are held in instruments that can readily be converted to cash, if needed. RF CUNY also has access to a \$15 million line of credit through a financial institution.

**Research Foundation of The City University of New York and Related Entity**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2024 and 2023**

**NOTE 15 - LINE OF CREDIT**

The Foundation entered into a line of credit agreement for \$15 million with First Republic Bank on January 6, 2021 which was renewed with JP Morgan Chase on April 10, 2024, to be used for general Foundation purposes. The interest rate on the line of credit shall be equal to the Index minus one-quarter percent (0.25%) per annum but should not be adjusted to less than three percent (3%) per annum. The line of credit is secured by RF CUNY's accounts receivable with a value at June 30, 2024 of approximately \$149 million. The outstanding balance at June 30, 2024 and 2023 was \$0.

The terms of the line of credit require the maintenance of covenants, including financial reporting requirements and liquidity ratio minimums, which the bank may waive or modify at any time at their discretion.

**NOTE 16 - SUBSEQUENT EVENTS**

RF CUNY evaluated events subsequent to June 30, 2024 and through September 20, 2024, the date on which the consolidated financial statements were available to be issued, the result of which required no adjustments or disclosures to the accompanying consolidated financial statements.

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**

**June 30, 2024**

**NOTE A - BASIS OF PRESENTATION**

The accompanying schedule of expenditures of federal awards (the "Schedule") presents the expenditures charged to federal programs of the Research Foundation of The City University of New York and its related entity ("RF CUNY") for the year ended June 30, 2024. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations ("CFR") Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance").

Federal awards, principally federal student financial assistance, received and administered by The City University of New York (the "University"), are not included in the accompanying Schedule because the University prepares a separate report for such federal awards programs.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Expenditures reported in the Schedule are reported on the cash basis of accounting. Such expenditures are recognized in accordance with the cost principles contained in the Uniform Guidance. Accordingly, certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

RF CUNY's consolidated financial statements were prepared on the accrual basis of accounting; therefore, certain amounts presented in the Schedule differ from amounts presented in, or used in the preparation of, RF CUNY's consolidated financial statements. However, management has reconciled amounts presented in the consolidated financial statements to related amounts in the Schedule.

RF CUNY utilizes an approved indirect cost rate negotiated with its cognizant agency, the U.S. Department of Health and Human Services ("DHHS"), to charge facilities and administrative costs to sponsored projects. Such rate is subject to audit and potential adjustment by DHHS. Therefore, RF CUNY elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

## **REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS***

Board of Directors of the  
Research Foundation of The City University of New York

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the consolidated financial statements of the Research Foundation of The City University of New York and its related entity (collectively, "RF CUNY"), which comprise the consolidated balance sheet as of June 30, 2024, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated September 20, 2024.

### **Report on internal control over financial reporting**

In planning and performing our audit of the consolidated financial statements, we considered RF CUNY's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of RF CUNY's internal control. Accordingly, we do not express an opinion on the effectiveness of RF CUNY's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of RF CUNY's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

**Report on compliance and other matters**

As part of obtaining reasonable assurance about whether RF CUNY's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements.

However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of RF CUNY's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering RF CUNY's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

## **REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

Board of Directors of the  
Research Foundation of The City University of New York

### **Report on compliance for each major federal program**

#### **Opinion on each major federal program**

We have audited the compliance of the Research Foundation of The City University of New York and its related entity (collectively, "RF CUNY") with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of RF CUNY's major federal programs for the year ended June 30, 2024. RF CUNY's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, RF CUNY complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

#### **Basis for opinion on each major federal program**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (US GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of RF CUNY and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of RF CUNY's compliance with the compliance requirements referred to above.

#### **Responsibilities of management for compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to RF CUNY's federal programs.

**Auditor's responsibilities for the audit of compliance**

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on RF CUNY's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about RF CUNY's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with US GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding RF CUNY's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of RF CUNY's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of RF CUNY's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

**Report on internal control over compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a

material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses or significant deficiencies. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this Report on Internal Control Over Compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
