

## Imagine what you could do with the Advanced Benefit Strategies Mobile

With our Mobile App, you can now  
manage your accounts from the palm of

Want to check your account balances and submit receipts from anywhere? There's an app for that! With the Advanced Benefit Strategies Mobile App you can easily and securely access your accounts, submit claims and upload receipts at any time. You have quick access to common tasks<sup>1</sup> with an easy-to-use design that helps make sense of your health and financial information.

### Stay up to speed

With the Advanced Benefit Strategies Mobile App, you can get to the account information you need—fast. Wondering whether you have enough money to pay a bill or make a purchase? The Advanced Benefit Strategies Mobile App puts the answers at your fingertips.

- Quickly check available balances and account details of your Health Savings Account (HSA), Health Reimbursement Account (HRA), or Flexible Spending Account (FSA – Healthcare, Dependent Care, Transit or Parking)
- View charts summarizing account information
- Set account alerts and receive notifications via text message
- View claims requiring receipts
- Link to an external web page to obtain helpful information such as a list of eligible expenses
- Retrieve a lost username or password
- Use your device of choice – including iPhone®, iPad®, iPod touch® and Android™ smartphones and tablet devices

<sup>1</sup> Some functionality listed may require specific plan types or additional products/services.

## Tap and take action

Make a payment, capture a receipt or take any number of other actions – whether you're on the couch or waiting in line. With our Mobile App, you can get it done fast and enjoy the rest of your day:

- Submit claims for FSA – Healthcare, Dependent Care, Transit or Parking reimbursement plans
- Snap a photo of a receipt and submit with a new or existing claim
- Request a distribution from an HSA account
- Contribute funds to an HSA account
- Access your account funds to reimburse yourself or pay a provider such as a doctor, dentist, etc.
- Add and store information on new payees
- Enter and view expense information and receipts
- Report a debit card as lost or stolen

### Get Reimbursed Quickly

Did you forget to use your benefit card to pay for an eligible expense? If so, you can still be reimbursed from your pre-tax account to maximize your dollars. Get the payment process started. With the Advanced Benefit Strategies Mobile App, you can now file a claim from the palm of your hand.

### Track Receipts

Why is it that the one receipt you need is always the one you can't find? With the Advanced Benefit Strategies Mobile App, you can record a health expense and capture the receipt the moment the transaction happens. That's peace of mind with a touch of a button.

### Check Balances

Are you wondering whether you can pay for an elective procedure or a mounting bill? With the Advanced Benefit Strategies Mobile App, you can do a quick account check to see your current balance. No need to wait for an answer – it's right at your fingertips.

# Here's how to get started with the Advanced Benefit Strategies Mobile App:

*From the App Store or Google Play simply search Advanced Benefit Strategies and download the mobile app free of charge for your chosen device. Then log in with the password you use to access the Advanced Benefit Strategies Consumer Portal.*
