What you need to know about a
vision plan from Cigna Healthcare.

How do I use my vision benefit?

- Locate a provider of your choice by visiting the provider locator on **myCigna.com**®. Go to **myCigna.com > Coverage > Vision > Visit Cigna Vision > Find a provider**.
- Schedule an appointment. Many of our providers also offer walk-in appointments.
- When you arrive, present your ID card or simply provide your name and date of birth.
- An in-network provider will file claims on your behalf. If you use an out-of-network provider, you will need to submit a claim form and itemized receipt to get reimbursed for charges that are covered under your plan.

Can I schedule an appointment online?

Yes. The appointment scheduling tool is available through the provider locator.* If a provider offers this option, an icon will be displayed that says "**Schedule an Appointment**." Just click on it to get started.

Will I be able to choose any eyewear product?

Yes. You can apply your vision benefit toward any available frame or brand of contact lens that fits your vision needs and lifestyle.

Do I have access to any additional discounts?

Yes. Your vision plan also includes savings above and beyond the benefit, such as 40% off additional complete pairs of prescription eyeglasses and 20% off nonprescription sunglasses at participating in-network eye doctors.**
